APRIL 8, 2020 IS THE INTERNATIONAL DAY OF PINK!

According to Day of Pink organizers, "discrimination takes many shapes, whether it's based on race, age, disabilities, gender or sexuality. The 2SLGBTQIA+ community is no stranger to the bullying and violence that stems from hateful beliefs. While progress has been made towards removing these social barriers from our society, discrimination still persists. So, every year, on the second Wednesday of April, we urge people around the world to put on a pink shirt and STAND IN SOLIDARITY with the 2SLGBTQIA+ community to continue fighting FOR EQUALITY AND ACCEPTANCE."

Despite COVID-19 cancelling Day of Pink events and get-togethers, people from across the Rainy River District got their pink shirts out to celebrate together, while apart. Keep up the good work!

Let us make your big day memorable
