JUDGED THE BEST COMMUNITY NEWSPAPER IN ONTARIO IN 2020.

The Observer has been going head-to-head in competition with our peers in the newspaper industry across Ontario for the past two decades. In that time, The Observer consistently delivers the hardware being recognized in all facets of newspaper production. It is a testament to the dedication and talent of the Observer staff through the years of delivering award-winning community news. We couldn't be prouder of the achievements of our staff making The Observer the best it can be.
