Family Fishing Day

Four-year-old Phoebe from Cornwall is all smiles after catching a pumpkinseed fish during last year's RRCA Family Fishing Day at Gray's Creek Conservation Area in South Glengarry. The Raisin Region Conservation Authority's (RRCA) Family Fishing Day returns to Gray's Creek Conservation Area on Friday, July 7, from 10 a.m. to 2 p.m. The free event lets young anglers and their families try their hand at catching fish while also enjoying a barbecue and a chance to win several prizes through a friendly fishing competition. A fishing licence is not required, as the event takes place during Ontario's licence-free fishing week. submitted photo RRCA
