745 St David St N, Fergus | (519) 843-1171

## OUR HISTORY

In 1923, Walter Dixon bought a lumber and planing mill in Arthur, and in 1933 expanded it to include a millwork shop in Fergus.

In 1943, Walter's son Merlin joined the company at 475 St. Patrick St. E. and the business that until then had offered mainly lumber and wood windows, was expanded to include hardware and building materials. In 1966, after serving in the Royal Canadian

Navy, Merlin's son Jim joined the business, and in 1977 Jim moved the business to its current location at 745 St. David St. N. where it operated as Dixon Homecare. Over the years, additions were made to the store and sheds added to the lumberyard to meet the needs of our growing community, and Dixon Homecare became Dixon Timber Mart.

In the 1990's, Jim's sons Jeff and Jason joined the company and in 2004 they became a member of the Home Hardware family. In 2009, a brand new store was built, followed by 2 new lumber storage sheds. Through 100 years and four generations, Dixon Home Hardware Building Centre remains a truly local, community-minded, family-owned-and-operated business.
