

Please give a phone for my brother because I can call when he is at his friends. I want a hot wheels garage because I have a lot of hot wheels. It can hold 300 cars. Have a nice Christmas day. I hope you get a present too just like me.
Yours Truly, Kane

Dear Santa Claus,
This year it was fun playing hockey with my friends. How big are the elves? I think they're tiny. How do you eat all of the cookies without getting sick? I want you to get my Dad tickets to a Toronto Maple Leafs game in Toronto because his favourite team is Toronto and he needs a break from work. I would like a computer for Christmas because our other computer is old and takes a long time to load. I hope that you have a safe ride on the sleigh. Make sure the fireplace is off before you go down the chimney.
Yours Truly, Clark

Dear Santa Claus,
Hi, my name is Zayden. My favourite sport is snowboarding, and I do this every year. This year my mom and dad would like to go to Mexico because they're tired of working. Santa what would you like for Christmas? This year I want a green snowboard so I can do snowboarding with my dad because mine is broken. As well, I would like a pink helmet so I don't break my head. Santa this year I hope you have a happy Christmas.
Yours Truly, Zayden

Dear Santa Claus,

I would like you to bring Christmas dinner this year so my mom doesn't have to cook. I would like a hoverboard for myself because I want to play on it and do spins and other tricks. I hope you have nice weather on Christmas Eve so that you can deliver presents. Thank you and have a nice night.

Dear Santa Claus,
Hi, my name is Austin. I'm in grade 3 and I have the best teacher in the world. I like to play hockey and I play for the Howick Hornets. We started a few months ago. When you travel the world, how much sugar do you eat? Can you give my dad a vacation because my mom tells my dad to do everything. This Christmas I would like a hoverboard please because I've never tried one. I hope you have a safe ride home and make sure you don't miss a person.
Yours Truly, Austin

Dear Santa Claus,
Hi, my name is Avery. Did you know I have the best teacher ever. This year I'm in grade 3 and there are 20 students in my class. One question is how cold is it at the North Pole? When you go outside

do you have to keep warm? Did you know that there are people out there that don't have food so I would like to give them food. They need food to keep healthy. I would like some books to read and learn about and some math books to learn about too. That is what I want for a Christmas present for me and someone else. Thank you Santa and have a good night and don't eat too many cookies
Yours Truly, Avery

Dear Santa Claus,
I want to ask how are you and Rudolph? I am having a good year. I have an amazing teacher and I am excited for Christmas. I was wondering if I could get 3 hover boards for my cousins because they are my family and I love them. I know that maybe some of the stuff I am asking for is pretty expensive but I will wait and see what you bring. Thank you for making kids like me happy.
